Re: Memorial Service for Corey Hale

Dear protectors of our environment,

The enclosed is to honor and thank Tom Martin, a volunteer for Living Rivers [Program Director for [River Runners for Wilderness](#)]. Tom conducted a memorial service for our son, COREY HALE, during his recent trip in the Grand Canyon.

We think this donation [enclosed] might be best used as you see fit. Our Corey was an accomplished white water rafter and kayaker who thoroughly enjoyed his numerous river adventures from Washington State, Idaho, Montana, Colorado, Missouri, Pennsylvania, Central America, Europe and the wonderful Grand Canyon.

Please continue to be well....be safe.....and be happy. We so appreciate your work in saving our rivers and waterways.

Sincerely,

The Jonathan Hale Family
